Subject: Experiments Involving Samples from Slaughter House, And Live Chick Embryo - regarding

Sir/Madam,

The CCSEA in its 110<sup>th</sup> meeting has discussed the matter of experiments conducted on the samples from slaughter house and live chicken embryo. It has been decided that the IAECs and CCSEA has no objection for studies conducted on slaughter house samples, however, the studies conducted on live chicken embryo may be placed before the IAECs for decision.

Yours sincerely,

(Dr. S.K. Dutta)  
Member Secretary (CPCSEA)
