

No. V-11011(11)/10/2020-CPCSEA-DADF
Government of India
Ministry of Fisheries, Animal Husbandry and Dairying
Department of Animal Husbandry and Dairying
O/o Committee for the purpose of Control and Supervision of Experiments on Animals
(CPCSEA)

Delhi Milk Scheme Complex,
Shadipur, New Delhi - 110008.
Dated: 05.05.2022

NOTICE

The Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) was established under Chapter 4, Section 15(1) of the Prevention of Cruelty to Animals Act, 1960 to take all such measures as may be necessary to ensure that animals are not subjected to unnecessary pains or suffering before, during or after performance of experiments on them. For this purpose, the Committee formulated the "Breeding of and Experiments on Animals (Control & Supervision) Rules, 1998" (amended in 2001 & 2006) to regulate the experimentation on animals. Under the provisions of above rules, the establishments which are performing experiments on animals, breeding and trading of animals for the purpose of experimentation are required to get themselves registered with CPCSEA. The validity of registration of the establishment is 5 years. Therefore, every establishment registered with CPCSEA is required to be renewed.

2. However, some establishments were not making efforts for renewal of registration of their animal house facility, thus, being non-compliant with the guidelines of CPCSEA. In this regard, a notice of even number dated 27th July, 2020 was issued to the establishments asking them to renew the registration of their animal house facility with a warning that in case of non-receipt of any response from such establishments within 30 days from the issue of that notice, the registration of animal house facility of the establishments shall be deemed to be cancelled (copy enclosed). However, keeping in view the COVID-19 pandemic, no action was taken within the stipulated period and the responses of the establishments have been accepted till date.

3. On perusal of the responses received from the establishments, it has been observed that 31 establishments have closed the operations of their animal house facility and 292 establishments have not made any efforts for renewal of registration. Therefore, the registration of such establishments which are not conducting experiments on animals or not making efforts for renewal of registration, has been cancelled. The list of cancelled establishments is placed at Annexure-I.

4. It is to bring into the knowledge of the stakeholders of CPCSEA that all the activities related to research, breeding and trading of laboratory animals in the establishment without valid registration with CPCSEA shall be deemed to be illegal under the provisions of the Prevention of Cruelty to Animals Act, 1960.

5. This supersedes all our previous communication on the subject.

Encl.: As above.

Yours sincerely,

(Dr. S. K. Dutta)
Member Secretary (CPCSEA)

List of establishments whose registration with CPCSEA has been cancelled			
S. No.	Registration Number	Name of the Establishment with Address	State
